General Terms of Contract

The prices quoted include service and catering equipment, but do not include VAT. The prices indicated in the offer are valid for a single event, for the given menu and number of guests.

The prices listed in the offer only contain the basic furniture required for catering (buffet and drinks bar, tables/counters), not the furniture suitable for seating guests and counters.

A pre-dinner welcome champagne toast is not deemed a complete service, it is an add-on and cannot be ordered on its own. If ordered, it must be followed by a full main meal (cocktail party, gala dinner, buffet dinner, Christmas party).

The full range of buffet or finger-food dishes includes enough food overall for the head count ordered and a set proportion of items based on our experience, although some may run out.

Our offers also include unique wines and limited items of small wineries, thus the wines included in the list of beverages may run out during the year. In such a case we will offer our customers similar or better-quality alternatives to this item or items. We can confirm the final wine selection within 72 hours following an order placed.
